

Baokhoa Vu | Front End Developer

(626)367-3112 | baokhoadinhvu@gmail.com | baokhoavu.herokuapp.com

With over 3 years of experience in web development, I am experienced in developing out of the box solutions. With most of my day to day involving building custom SPA's, each can be tailored with the required frameworks. Experienced in handling API's either through client/server for dynamic data re-rendering. Usual work flow is agile with weekly/daily SCRUM.

Technical Skills

ReactJS, AngularJS/5/6, Blackbaud Luminate, SCSS/CSS, Bootstrap 4, Restful API's/Convio S-Tag's, Vanilla Js/JQuery, Typescript, ES5/ES6, Gulp, Shopify, Wordpress/Liquid custom theme, Express, Mongodb, Mongoose, Node, Git/Github, Heroku, Bash, Handlebars, Php, Cross Browser Responsive Coding, Foundation, Responsive Emails, Basecamp, Asana, Browserstack
